

PLEDGE

I recognize tobacco as the greatest hazard of life, killing millions across the globe. Tobacco singly causes several killer diseases such as lung cancer, oral cancer, heart ailments etc. Therefore, I pledge to abstain from the use of tobacco and to battle the tobacco epidemic. I pledge to spread awareness about the hazards of tobacco to the population. I pledge to lead a healthy, tobacco-free lifestyle. I will say NO to tobacco and will help my friends also say NO to tobacco.
